DECKING
Standard: Merbau
Upgrade: Modwood

A mockup for the Cambridge color palette. It features a central window frame with a light beige surround. To the left is a vertical image of eucalyptus trees. To the right is a branch with pink and green eucalyptus flowers. Below the window is a dark green rectangular panel. At the bottom right are two wooden decking planks, one light brown and one darker brown. The background is a light beige wall with horizontal cladding.

York

CLADDING
Colorbond: Shale Grey

SKIRTING, ARCHITRAVES,
POSTS & FRONT DOOR
Colorbond: Surfmist

DECKING
Standard: Merbau
Upgrade: Modwood

WINDOWS, ROOF,
GUTTERS, FASCIA
Colorbond: Deep Ocean

A mockup for the York color palette. It features a central window frame with a light beige surround. To the left is a vertical image of a blue ocean. To the right is a branch with dried, tan-colored grass. Below the window is a dark blue rectangular panel. At the bottom right are two wooden decking planks, one light brown and one darker brown. The background is a dark grey wall with horizontal cladding.
