You're desperate for staff, they need to live somewhere

Attracting and retaining good staff is probably near the top of your issues list. Finding somewhere for them to live is probably close behind. Shoving staff into dirty old 'dongas' just doesn't cut it anymore.

Uniplan's modular buildings are a perfect solution. Our homes are built in a factory in Armidale and delivered to site 100% complete. It will be the most 'no fuss building' project you will ever do.
